

Programme

Day: 1 - Friday, 2nd December, 2011

Time	Topic	Speaker
08:00 am - 08:50 am	: Registration	
08:50 am - 09:00 am	: Welcome address	Prof. Mohamed Rela
General Hepatology		
09:00 am - 09:30 am	: Normal Liver Histology	Prof. Bernard C Portmann
09:30 am - 09:50 am	: NAFLD	Prof. Elwyn Elias
09:50 am - 10:10 am	: Alcoholic Liver Disease	Prof. Anil Arora
10:10 am - 10:30 am	: Case presentation with histology (i) ALD v/s NAFLD (ii) Escaping transplant through abstinence	
10:30 am - 10:50 am	: Break	
Autoimmune Liver Disease		
10:50 am - 11:10 am	: AIH	Prof. Diedre Kelly
11:10 am - 11:30 am	: PSC/PBC/OVERLAP SYNDROME	Prof. Elwyn Elias
11:30 am - 12:00 noon	: Case presentations with histology (i) Acute presentation of AIH (ii) Resistant AIH (iii) Langerhan's cell Histiocytosis presenting as PSC	
Paediatric Cholestatic Liver Disease		
12:00 noon - 12:20 pm	: PFIC	Prof. S Wali
12:20 pm - 12:40 pm	: Biliary Atresia	Prof. Ashley D' Cruz
12:40 pm - 01:00 pm	: Case presentation with histology	
01:00 pm - 02:00 pm	: Lunch	
02:00 pm - 02:20 pm	: Wilson's Disease	Prof. Diedre Kelly
02:20 pm - 02:30 pm	: Case presentation with histology	
02:30 pm - 02:50 pm	: Congenital Hepatic Fibrosis	Dr. Tawfiq
02:50 pm - 03:00 pm	: Case presentation with histology	
03:00 pm - 03:20 pm	: Iron Overload Syndrome	Prof. Abid Suddle
03:20 pm - 03:30 pm	: Case presentation with histology	
03:30 pm - 03:50 pm	: Congenital Haemochromatosis	Prof. Mohamed Rela
03:50 pm - 04:10 pm	: Break	
Talk of the day		
04:10 pm - 04:50 pm	: HCV treatment in Cirrhotics	Prof. Jack Lake
Debate of the Day		
04:50 pm - 07:00 pm	: Acute Alcoholic Hepatitis - To or Not to Transplant	
	: For Transplantation	Prof. Sanjiv Saigal
	: Against Transplantation	Dr. Dharmesh Kapoor
07:00 pm	: Gala Dinner	

Histopathology Panelists : Prof. Bernard C Portmann, Dr. Alberto Quaglio, Dr. Sushma Patra

Day: 2 - Saturday, 3rd December, 2011

Time	Topic	Speaker
Transplant Hepatology		
09:00 am - 09:40 am	: Rejection and Immunosuppression	Prof. Jack Lake
09:40 am - 10:00 am	: Case Presentations with histology (I) Abnormal LFT's post transplantation (ii) Straight forward rejection (iii) Steroid resistant rejection (iv) Liver eater/chronic rejection	
10:00 am - 10:20 am	: HCV - Post Transplant	Dr. Dharmesh Kapoor
10:20 am - 10:30 am	: Case presentation with histology (I) FCH - Post Transplantation	
10:30 am - 10:50 am	: HBV - Post Transplant	Dr. Joy Varghese
10:50 am - 11:00 am	: Case presentation with histology Recurrent HBV post transplant	
11:00 am - 11:10 am	: Break	
Post Transplant Complications		
11:10 am - 11:30 am	: CMV - Post Transplant	Dr. Abid Suddle
11:30 am - 11:40 am	: Case presentation with histology	
11:40 am - 12:00 noon	: Bacterial and Fungal Infections - Post Transplant	Prof. Julia Wendon
12:00 noon - 12:10 pm	: Case presentation with histology	
12:10 pm - 12:30 pm	: EBV and PTLD	
12:30 pm - 12:40 pm	: Bowel Perforation- A manifestation of PTLD in children	
12:40 pm - 01:00 pm	: Small for Size Syndrome - Pathogenesis and Management	Prof. Mohamed Rela
01:00 pm - 02:00 pm	: Lunch	
02:00 pm - 02:20 pm	: HCC - Variants, Management and Prognosis	Dr A S Soin
02:20 pm - 02:30 pm	: Case presentation with histology	
02:30 pm - 02:50 pm	: Cholangiocarcinoma - Clinicopathological variants and role of Transplantation	Dr Subash Gupta
02:50 pm - 03:00 pm	: Case presentation with histology	
03:00 pm - 03:20 pm	: HCC and Hepatoblastoma in children	Prof Nigel Heaton
03:20 pm - 03:30 pm	: Case presentation with histology	
03:30 pm - 03:50 pm	: Break	
Talk of the day		
03:50 pm - 04:20 pm	: Long term outcome of Liver Transplantation in children	Prof. Diedre Kelly
04:20 pm - 04:50 pm	: Hepatocyte Transplantation; What the future holds?	Prof. Anil Dhawan
Debate of the day		
04:50 pm - 05:30 pm	: Budd Chiari: Shunt or Transplantation	
	Introduction and Pathophysiology	Prof Nigel Heaton
	For Shunt	Dr S K Mathur
	For Transplantation	Dr Saha
07:00 pm	: Faculty dinner	

Histopathology Panelists: Prof. Bernard C Portmann, Dr. Alberto Quaglio, Dr. Sushma Patra

Day: 3 - Sunday, 4th December, 2011

Time	Topic	Speaker
Tropical Hepatology		
09:00 am - 09:20 am	: Varied presentations of NCPH	Prof. Surendra Yatcha
09:40 am - 10:00 am	: Case Presentation with histology	
09:30 am - 09:50 am	: Tropical Liver Infections	Prof. A. C. Anand
09:50 am - 10:00 am	: Case Presentation with histology	
10:00 am - 10:20 am	: Tuberculosis - Post Transplant	Dr. Olithselvan
10:20 am - 10:30 am	: Case Presentation	
10:30 am - 10:50 am	: Break	
Acute Liver Failure		
10:50 am - 11:10 am	: ALF in CHILDREN	Prof. Anil Dhawan
11:50 am - 11:20 am	: Case presentation with histology Hemophagocytic lymphohistiocytosis (HLH)	Prof. Julia Wendon
11:20 am - 12:10 pm	: ALF - Intensive Care Management	Prof. Julia Wendon
12:10 pm - 12:30 pm	: Case presentation with histology (I) Drug induced ALF	Prof. Vivek Saraswat
	(II) Yellow Phosphorous Poisoning	Prof. Sudhindaran
12:30 pm - 12:50 pm	: Auxillary Liver Transplantation	Prof. Mohamed Rela
12:50 pm - 01:00 pm	: Case presentation with histology	
01:00 pm - 02:00 pm	: Lunch	
02:00 pm - 05:00 pm	: Meet the expert session (for Pathologists)	Prof. Bernard C Portmann & Dr Alberto Quaglio
02:00 pm - 02:45 pm	: Liver Transplant Pathology	Prof. Bernard C Portmann
02:45 pm - 03:30 pm	: Neonatal Cholestatic liver disease	Prof. Bernard C Portmann
03:30 pm - 05:00 pm	: Interesting Case Discussions	Prof. Bernard C Portmann & Dr Alberto Quaglio

Histopathology Panelists: Prof. Bernard C Portmann, Dr. Alberto Quaglio, Dr. Sushma Patra

About Us

The Global Hospitals Group started a decade ago in Hyderabad, has several hospitals spread strategically across the country in Bangalore, Chennai and shortly to begin in Mumbai. Each one of them are a tertiary care multi specialty hospital with facilities matching the best in the world and offering advanced patient care of international standards.

Chennai has joined the chain of Global Hospitals a year back with its very own unit pertaining to truly global standards. Global Hospitals and Health City is a 500 bedded super specialty tertiary care facility located off the IT highway (OMR) at Chennai. It renders 360 degree advanced tertiary healthcare services matching the best available in the world. Every step is aimed at ensuring excellence in patient care through state of the art infrastructure, advanced technology & committed team work by internationally qualified specialists.

Every member of the Global family is far ahead in the league of innovators. Over the span of only a year several path breaking procedures have been performed here - like the first split and auxillary liver transplantation in the country, minimally invasive bypass heart surgery, very rare epilepsy surgeries, cranioplasty using rapid prototyping, EECF, heart & kidney transplantations and many more.
